Mission Statement

Yellow Brick Place supports and educates cancer patients and those closest to them by providing individual and group services in the tri-county area of Mahoning, Trumbull and Columbiana.

Our purpose is to nourish and comfort the mind, body and spirit during the fight against cancer, along with providing a hopeful environment for cancer patients, families and their caregivers.

Yellow Brick Place offers a Resource Library, Christina's Healing Garden, and other services, such as: healing arts, one-on-one or family therapy consultations, children's programs, support groups, coping techniques, and much more. All services are free of charge and are non-medical, complementary, holistic-type support.

Yellow Brick Place officially opened their doors September of 2015. 100% of today's proceeds go directly to the YBP organization.
